INFORMED CONSENT FORM

YOU ARE ASKED TO READ THE FOLLOWING MATERIAL TO ENSURE THAT YOU ARE INFORMED OF THE NATURE OF YOUR TREATMENT AT NEMECHEK HEALTH RENEWAL (NHR), AND OF HOW YOU WILL PARTICIPATE IN IT, IF YOU CONSENT TO DO SO, SIGNING THIS FORM WILL INDICATE THAT YOU HAVE BEEN SO INFORMED AND THAT YOU HAVE GIVEN YOUR CONSENT.

NATURE OF YOUR TREATMENT

NHR provides primary care for its patients. This means that NHR sees itself as the first place you should go with all of your medical and psychological needs. If your physician or therapist determines that you would be better served by a specialist for a specific problem, you will then be referred to a specialist whose expertise will aid in the treatment of that problem.

You should be aware that every treatment, whether psychological or medical, has associated risks, benefits and alternatives. If these are not made clear to you whenever a treatment recommendation is made, you are welcome to ask all the questions you need in order to decide for yourself to go through with any proposed procedure.

Once you consent to become a patient at NHR, we will make every effort to ensure that your care with us is uninterrupted. If your health care coverage is interrupted, we well provide you with assistance in finding other ways in which we can remain as your primary health care provider. If other financial complications arise during the course of your treatment with us, we would like to be apprised of those complications or changes as soon as possible. We may be able to help prevent them from becoming any more problematic than we need to be.

You have the right to refuse any treatment recommended to you by the health care providers at NHR, and you can withdraw from NHR as a patient at any time. Should you choose to be cared for by another health care provider, we would like to know of your decision so we may cooperate fully with your choice. Regardless of whether you inform us or not, you will be expected to pay any balance owed to NHR even if you no longer choose NHR as your health care provider.

NHR PATIENT RESPONSIBILITIES

All patients have responsibilities that go along with having rights. Additional responsibilities to ones previously mentioned include:

1. At each office visit, you will be asked about any signs or symptoms you have experienced or any side effects of treatments you may be receiving. It is important for your safety that you accurately report these symptoms. Additionally, since unusual side effects can occur when a person takes several drugs in combination, make sure your physician is aware of all other medications, drugs, vitamins, or treatments (including nontraditional therapies) that you may be taking.

2. Once a treatment program is planned for you, it will be your responsibility to be on time to your clinic appointments and take your medication or treatments as prescribed. If you fail to take your medications or other treatment as instructed, or fail to keep your clinic appointments; you will be jeopardizing the effectiveness of your treatment.

VOLUNTARY CONSENT

I do hereby certify that I have read the preceding, or that it had been read to me, and that I understand its contents. Any question that I have pertaining to my treatment at NHR have been and will continue to be answered by my health care providers at Nemechek Health Renewal. Upon request, a copy of this consent form will be given to me. My signature below means that I have freely agreed to participate as a patient at NHR at this time.

AGREEMENT AND AUTHORIZATION
REGARDING PAYMENT AND INSURANCE

All patients must read and sign this agreement (and any necessary insurance forms) before seeing the doctor. By signing this agreement, I am confirming that I have read and understand the agreement, and agree to be bound by its terms. If there is any part I do not understand, I will discuss it with the doctor or other staff member before signing.

Full payment for services (including co-payments and deductibles) is due at the time services are provided me by Nemechek Health Renewal (NHR). Payment may be made with cash, a check, or a credit card (VISA or MasterCard only). Outstanding balances are subject to monthly finance charges as allowed by law. If NHR participates in my health insurance plan, I may assign my insurance benefits to NHR. However, my insurance plan might not pay the entire amount of my charges, and I am responsible for all amounts not paid by insurance. NHR is committed to providing me with the best care possible, and is not obligated to accept the amount my insurance company pays based on its rates for "usual and customary" charges.. Any amount not paid by my insurance company within sixty (60) days of the date services are provided will automatically be transferred to my personal account.

By signing this agreement, and in consideration of the services to be provided me by NHR, I am assigning to NHR all my rights, claims, and causes of action against my health insurance company and any other entity or person responsible for payment of my account at NHR, to the extent of my account balance plus all costs of collection including, but not limited to, attorney fees, expenses, and court costs. However, it is understood and agreed I am not personally responsible for any such costs of collection. I am also agreeing to cooperate with and assist NHR in its efforts to collect all amount due NHR based on services provided me. As part of such cooperation, I agree that my file information (including Protected Health Information), to the extent necessary, may be released to third parties (including, but not limited to, attorneys, government agencies, and insurance companies) by NHR in furtherance of its efforts to collect amounts owed to it for services rendered to me until such time as I withdraw this authorization (which may only be done prospectively). NHR may also retain an attorney or other party on my behalf, at its sole expense, to further any such collection efforts. However, nothing herein shall obligate NHR to retain attorneys or other parties, either on its behalf or mine or to prosecute any legal action.

This agreement shall be binding on and inure to the benefit of me, NHR, and both our successors, assigns, heirs, representatives, and estates, and will be interpreted according to Missouri law.
